Hi David,

Just to be clear, I think this is your action item to follow up on and re-mark up the letter. If that's not correct, please let me know what you are thinking.

Thanks, Michele

Hi David,

It seems you did not send me the marked up version of the letter.

Thanks, Michele

Hi Michele,

I've made some revisions to the letter you previously drafted. I think the discussion on AEs is somewhat tricky, so this is not going out prior to tomorrow's meeting. However, I think we can discuss the fact that a letter is coming soon. I wanted to put this back in your hands as there is some additional pieces for you to add.

Thanks,  
David
